# How to share your genetic test results with your healthcare provider

## Before you get started...

Make sure that you have the following information: your primary oncology healthcare provider's first name, last name, and fax number.

**1.** Visit home.color.com and sign in to your Color account.

**2.** On the dashboard, scroll to "Hereditary Cancer Test" and click on the button "View Results".

> **Your Genetic Test**
>
> **Hereditary Cancer Test**
>
> **View Results**

**3.** Scroll down to the section titled "Share your results" and click on the button "Share Results With Provider".

> **SHARE YOUR RESULTS**
>
> **Share Results With Your Provider**

**4.** Enter the requested information about your primary oncology healthcare provider and click "Continue".
